13 (4) If sufficient funds are available, this section constitutes a valid obligation of funds to the grant
 14 recipients listed in subsection (3) for purposes of encumbering the treasure state endowment state special
 15 revenue account funds during the 2011 biennium pursuant to 17-7-302. However, a grant recipient's entitlement
 16 to receive funds is dependent on the grant recipient's compliance with the conditions described in [section 3(1)]
 17 and on the availability of funds.

18 (5) Funding for projects numbered 1 through 33 in subsection (3) will be provided only so long as there
 19 are sufficient funds available from the amount that was deposited into the treasure state endowment state special
 20 revenue account during the biennium ending June 30, 2011. Funding for these projects will be made available
 21 in the order that the grant recipients satisfy the conditions described in [section 3(1)]. Once all funds deposited
 22 into the treasure state endowment state special revenue account during APPROPRIATED IN SUBSECTION (1) FOR the
 23 biennium are totally committed to projects NUMBERED 1 THROUGH 33 IN SUBSECTION (3) that have satisfied the
 24 conditions described in [section 3(1)], the obligation to any remaining projects will cease.

25 (6) Projects numbered 34 through ~~36~~ 66 listed in subsection (3) may receive grant funds in the order that
 26 the grant recipients satisfy the conditions described in [section 3(1)] only if:

27 ~~—— (a) one or more of the projects numbered 1 through 33 terminate their right to the awarded funds in~~
 28 ~~writing prior to the end of the 2011 biennium; or~~

29 ~~—— (b) the amount that was deposited into the treasure state endowment state special revenue account~~
 30 ~~during the 2011 biennium is greater than what is required to fully fund projects numbered 1 through 33 listed in~~

~~subsection (3). SO LONG AS THERE ARE SUFFICIENT FUNDS FROM THE AMOUNT APPROPRIATED IN SUBSECTION (1). ONCE ALL FUNDS APPROPRIATED IN SUBSECTION (1) ARE TOTALLY COMMITTED TO PROJECTS NUMBERED 34 THROUGH 66 IN SUBSECTION (3) THAT HAVE SATISFIED THE CONDITIONS DESCRIBED IN [SECTION 3(1)], THE OBLIGATION TO REMAINING PROJECTS WILL CEASE. IF FUNDS APPROPRIATED IN SUBSECTION (1) ARE INSUFFICIENT TO FUND ANY OF THE PROJECTS THAT HAVE SATISFIED THE CONDITIONS DESCRIBED IN [SECTION 3(1)] PRIOR TO JUNE 30, 2011, THE TREASURE STATE ENDOWMENT PROGRAM SHALL FUND THE PROJECTS BY BORROWING MONEY FROM THE BOARD OF INVESTMENTS PURSUANT TO 90-6-701(1)(B). THERE IS APPROPRIATED TO THE DEPARTMENT OF COMMERCE UP TO ~~\$6,512,000~~ ~~\$7,262,000~~ \$6,512,000 OF FUNDS BORROWED FROM THE BOARD OF INVESTMENTS.~~

(7) In the event that any remaining funds deposited into the treasure state endowment state special revenue account during the 2011 biennium are insufficient to fully fund any one of the grant recipients listed in subsection (3), the department may make the remaining funds available to the first grant recipient that has satisfied the conditions described in [section 3(1)] and that is able to firmly commit the balance of the amount necessary to fund the project in its entirety.

(8) Grant recipients shall complete all of the conditions described in [section 3(1)] by December 31, 2012, or the grant contract will be terminated.

NEW SECTION. Section 2. Approval of grants -- completion of biennial appropriation. (1) The legislature, pursuant to 90-6-701, authorizes grants for the projects identified in [section 1(3)].

(2) The authorization of these grants completes a biennial appropriation from the treasure state endowment special revenue account provided for in 17-5-703(3)(c).

NEW SECTION. Section 3. Conditions of grants -- disbursement of funds. (1) The disbursement of grant funds under [sections 1 through 3] for the projects specified in [section 1(3)] is subject to completion of the following conditions:

(a) The grant recipient shall execute a grant agreement with the department of commerce.

(b) The grant recipient shall document that other matching funds required for completion of the project are firmly committed.

(c) The grant recipient must have a project management plan that is approved by the department.

(d) The grant recipient must be in compliance with the auditing and reporting requirements provided for in 2-7-503 and have established a financial accounting system that the department can reasonably ensure

1 conforms to generally accepted accounting principles. Tribal governments shall comply with auditing and
2 reporting requirements provided for in OMB Circular A-133.

3 (e) The grant recipient shall satisfactorily comply with any conditions described in the application (project)
4 summaries section of the treasure state endowment program 2011 biennium report to the 61st legislature.

5 (f) The grant recipient shall satisfy other specific requirements considered necessary by the department
6 to accomplish the purpose of the project as evidenced by the application to the department.

7 (2) With the exception of bridges, all projects must adhere to the design standards required by the
8 department of environmental quality. Recipients of treasure state endowment program funds that are not subject
9 to the department of environmental quality design standards must adhere to generally accepted industry
10 standards, such as Recommended Standards for Wastewater Facilities or Recommended Standards for Water
11 Works, published by the Great Lakes-Upper Mississippi River Board of State and Provincial Public Health and
12 Environmental Managers, latest edition.

13 (3) Recipients of treasure state endowment program funds are subject to the requirements of the
14 department of commerce as described in the most recent edition of the treasure state endowment program
15 project administration manual, adopted by the department through the administrative rulemaking process.

16
17 **NEW SECTION. Section 4. Other powers and duties of department.** (1) The department of
18 commerce shall disburse grant funds on a reimbursement basis as grant recipients incur eligible project
19 expenses.

20 (2) If actual project expenses are lower than the projected expense of the project, the department may,
21 at its discretion:

22 (a) reduce the amount of grant funds to be provided to grant recipients in proportion to all other project
23 funding sources;

24 (b) authorize the use of the remaining authorized grant amounts for the construction of additional
25 infrastructure components directly related to the approved project that will further enhance the overall system;
26 or

27 (c) reduce the amount of grant funds to be provided so that the grant recipient's projected average
28 residential user rates do not become lower than their target rate as determined by the department.

29 (3) If the grant recipient obtains a greater amount of grant funds than was contained in the treasure state
30 endowment program application, the department may reduce the amount of the treasure state endowment

1 program grant funds to be provided to ensure that the grant recipient continues to meet the threshold
2 requirements contained in program guidelines for receiving the larger treasure state endowment program grant.

3
4 **NEW SECTION. Section 5. Appropriations from treasure state endowment state special revenue**
5 **account for emergency grants.** There is appropriated to the department of commerce \$100,000 for the
6 biennium beginning July 1, 2009, from the interest earnings of the treasure state endowment state special
7 revenue account for the purpose of providing local governments, as defined in 90-6-701, with emergency grants
8 for infrastructure projects, as defined in 90-6-701.

9
10 **NEW SECTION. Section 6. Appropriations from treasure state endowment state special revenue**
11 **account for preliminary engineering grants.** There is appropriated to the department of commerce \$900,000
12 for the biennium beginning July 1, 2009, from the interest earnings of the treasure state endowment state special
13 revenue account for the purpose of providing local governments, as defined in 90-6-701, with preliminary
14 engineering grants for infrastructure projects as defined in 90-6-701.

15
16 **NEW SECTION. Section 7. Appropriation from treasure state endowment regional water system**
17 **special revenue account.** (1) There is appropriated ~~\$8~~ \$15 million to the department of natural resources and
18 conservation from the interest earnings of the treasure state endowment regional water system special revenue
19 account AND OTHER FUNDS to finance the state's share of regional water system projects authorized by this section
20 and as set forth in 90-6-715.

21 (2) The dry prairie rural water authority and the north central Montana regional water authority are
22 authorized to receive funds.

23 (3) A regional water authority's receipt of funds is dependent on the authority's compliance with the
24 conditions described in [section 9(1)].

25 (4) This section constitutes a valid obligation of funds to the regional water authorities listed in subsection
26 (2) for purposes of encumbering the treasure state endowment regional water system special revenue account
27 funds received during the 2011 biennium under 17-7-302.

28
29 **NEW SECTION. Section 8. Approval of funds -- completion of appropriation.** (1) The legislature,
30 pursuant to 90-6-715, authorizes funds for the regional water authorities identified in [section 7(2)].

(2) The authorization of these funds completes an appropriation from the treasure state endowment regional water system special revenue account provided for in 17-5-703(3)(d).

NEW SECTION. Section 9. Conditions -- manner of disbursement of funds. (1) The disbursement of funds under [sections 7 and 8] is subject to completion of the following conditions:

(a) The regional water authority shall execute an agreement with the department of natural resources and conservation.

(b) The regional water authority must have a project management plan that is approved by the department.

(c) The regional water authority shall establish a financial accounting system that the department can reasonably ensure conforms to generally accepted accounting principles.

(d) The regional water authority shall provide the department with a detailed preliminary engineering report.

(2) The department shall disburse funds on a reimbursement basis as the regional water authority incurs eligible project expenses.

SECTION 10. SECTION 90-6-701, MCA, IS AMENDED TO READ:

"90-6-701. Treasure state endowment program created -- definitions. (1) (a) There is a treasure state endowment program that consists of:

(i) the treasure state endowment fund established in 17-5-703;

(ii) the infrastructure portion of the coal severance tax bond program provided for in 17-5-701(2).

(b) The treasure state endowment program may borrow from the board of investments to provide additional financial assistance for local government infrastructure projects under this part, provided that no part of the loan may be made from retirement funds.

(2) Interest from the treasure state endowment fund and from proceeds of the sale of bonds under 17-5-701(2) may be used to provide financial assistance for local government infrastructure projects under this part, to provide funding to the department of commerce for the administrative costs of the treasure state endowment program, and to repay loans from the board of investments.

(3) As used in this part, the following definitions apply:

(a) "Infrastructure projects" means:

- (i) drinking water systems;
- (ii) wastewater treatment;
- (iii) sanitary sewer or storm sewer systems;
- (iv) solid waste disposal and separation systems, including site acquisition, preparation, or monitoring;
- or
- (v) bridges.

(b) "Local government" means an incorporated city or town, a county, a consolidated local government, a tribal government, a county or multicounty water, sewer, or solid waste district, or an authority as defined in 75-6-304.

(c) "Treasure state endowment fund" means the coal severance tax infrastructure endowment fund established in 17-5-703(1)(b).

(d) "Treasure state endowment program" means the local government infrastructure investment program established in subsection (1).

(e) "Tribal government" means a federally recognized Indian tribe within the state of Montana."

SECTION 11. SECTION 1, CHAPTER 383, LAWS OF 2007, IS AMENDED TO READ:

"Section 1. Appropriation from treasure state endowment state special revenue account. (1) There is appropriated to the department of commerce ~~\$17,333,653~~ up to \$40,173,080 of the interest earnings from the treasure state endowment state special revenue account and from other funds to finance grants authorized by this section.

(2) The funds appropriated in this section must be used by the department to make grants to the governmental entities listed in subsection (3) for the described purposes and in amounts not to exceed the amounts set out in subsection (3). The appropriations are subject to the conditions set forth in [sections 2 and 3] and described in the treasure state endowment program 2009 biennium report to the 60th legislature. The legislature, pursuant to 90-6-710, authorizes the grants for the projects listed in subsection (3). The department shall commit funds to projects listed in subsection (3), up to the amounts authorized, based on the manner of disbursement set forth in [section 3] until interest earnings and other funds deposited into the treasure state endowment state special revenue account during the 2009 biennium are expended.

(3) The following applicants and projects are authorized for grants:

27 (4) This section constitutes a valid obligation of funds to the grant recipients listed in subsection (3) for
 28 purposes of encumbering the treasure state endowment state special revenue account funds and other funds
 29 during the 2009 biennium pursuant to 17-7-302. However, a grant recipient's entitlement to receive funds is
 30 dependent on the grant recipient's compliance with the conditions described in [section 3(1)] and on the

1 availability of funds.

2 (5) Funding for projects numbered 1 through 56 in subsection (3) ~~and for the department of natural~~
3 ~~resources and conservation project in subsection (6)~~ will be provided from interest earnings and other funds
4 deposited into the treasure state endowment special revenue account during the biennium ending June 30, 2009,
5 for the projects that have satisfied the conditions described in [section 3(1)] prior to June 30, 2009. Funding for
6 the projects listed in subsection (3) will be made available in the order that the grant recipients satisfy the
7 conditions described in [section 3(1)]. ~~If funds appropriated in subsection (1) are insufficient to fund any of the~~
8 ~~projects that have satisfied the conditions described in [section 3(1)] prior to June 30, 2009, the treasure state~~
9 ~~endowment program must fund the projects by borrowing money from the board of investments pursuant to~~
10 ~~90-6-701(1)(b) for those projects that have satisfied the conditions described in [section 3(1)] by June 30, 2009.~~
11 ~~There is appropriated to the department of commerce up to \$17,563,890 for funds borrowed from the board of~~
12 ~~investments.~~

13 ~~—— (6) Up to \$2,200,000 is granted to the department of natural resources and conservation in fiscal year~~
14 ~~2009, which must be used to fund local government renewable resource projects. The grant may only be awarded~~
15 ~~for the amount of anticipated shortfall in funding all of the renewable resource program grants authorized in~~
16 ~~[section 1(3) of House Bill No. 6]. Any unexpended funds remaining from this grant on July 1, 2009, will be~~
17 ~~remitted to the department of commerce, treasure state endowment program, to be used for repayment of loans."~~
